Hi all,

SofS is happy with all approaches.

1. He is happy to direct NHSD to collect, analyse and disseminate data to DHSC and NHSX through s254 of the Health and Social Care Act 2012 and providing notice under COPI
2. He agrees not to explore regulations at this stage to limit rights under GDPR
3. He also agrees to extend the data opt out for 6 months. **He has asked for more advice about if he can delay indefinitely.**

Thanks,
