**Subject:** RE: Enhanced Protection Programme

Hi Phil,

Secretary of State has agreed to the points in your submission.

We wanted to highlight the importance of communicating/explaining this clearly to those previously in the CV/CEV groups. We need to reassure this group as there has been strong messaging to them previously throughout the pandemic about their vulnerability, and we receive lots of communications from these groups about how they feel forgotten about.

Thanks,

NR

As discussed, please see attached submission regarding the Enhanced Protection Programme – a programme being established to ensure that people at higher risk of serious illness from COVID-19 (due to a weakened immune system or specific other medical condition) are identified and receive appropriate interventions, support and communication. Feedback by the end of the week would be greatly appreciated.

Many thanks,

Phil
