Ara Darzi told me he got the vaccine in December, and then did duty giving vaccinations. He then got covid from a patient after Xmas. He's fine he says. He says apparently it's quite a common story. One that could create a little media anxiety storm.

How strong is our pharmacovigilance system to check events post-rollout? I was told we were doing it but I worry that the details will be shonky

CW Chris Whitty 09 Jan 2021 11:00 AM +00:00

Reasonable but needs to get better

CW Chris Whitty 09 Jan 2021 11:00 AM +00:00

There will be cases.

OW Owner of the cell phone 09 Jan 2021 11:00 AM +00:00

Who is best to talk to to improve the operationalisation of it?

CW Chris Whitty 09 Jan 2021 11:01 AM +00:00

JVT and Susan Hopkins leading.
