Apologies for missing this email. If I ever don't respond to anything like this please call me - it will only be because I didn't see it.

Where are we now on the various Meller offers?

Best,

Max

Hi Max

I hope you are well.

David wants to speak to me today. I don't have a problem speaking to him whilst on leave but I wanted to check on what line I should take on his existing gown offers.

We know he has Michael Gove's ear, his existing gown offers have been in triage for almost 2 weeks now and judging by [Name Redacted] email – they had 'dropped through the cracks'.

I don't want to jump on a call, when I know that gowns/aprons are a priority and simply say that I can't tell him anything further!! I will if that is your advice but we all know that private offices will be following that call up fairly quickly with some urgent chasing for clarity!

Kind Regards
