Subject: SG GRC PPE SUPPLY TO THE NHS
Attachments: SG GRC COVID19 MANILA.pdf; SG GRC NHS.pdf

Dear Andrew,

Further to our telephone call yesterday to discuss the immediate supply of PPE to the NHS, please find attached two documents:

1. SG GRC City of Manila COVID-19 presentation - this is for information purposes only It outlines who we are and one of our collaborations in South East Asia
2. PPE price list and payment terms. (I believe they meet the specifications required as per the NHS link that you kindly sent to me)

From advance payment (50%) received, they require 1 day to administratively process the order.

Production time:

Masks: [Irrelevant & Sensitive] production per day
Goggles: [Irrelevant & Sensitive] production per day
Gown/coveralls: [Irrelevant & Sensitive] production per day
Gloves: [Irrelevant & Sensitive] always in stock – [Irrelevant & Sensitive] production would take [Irrelevant & Sensitive]
Sanitizer: [Irrelevant & Sensitive] always in stock – 5M production would take [Irrelevant & Sensitive]

MOQ is 1 million units for any product

On receipt of the second 50% payment, an order will be immediately delivered to an airport of your choosing in China. We have ex UK Special Forces operatives on the ground in country as well on the ground local nationals (ex-head of Chongqing Customs) to ensure that quality assurance standards for all products purchased is achieved and also efficient delivery of product from the factory to your aircraft.

SG GRC background:

My name is David Sumner, CEO of SGH Global www.sghglobal.com

Lord Chadlington currently sits on the board of SGH Global

SGH Global has an operating company within the group called SG GRC (Governance, Risk & Compliance) www.sg-grc.com

Various ex UK Special Forces/ UK law enforcement sit on the board of SG GRC. Worthy of note is that Dr John Costello also sits on the SG GRC COVID-19 advisory board to ensure on our tactical operations are evidence based in line with the latest WHO/ CDC guidelines:

Dr John Costello: A Consultant Physician in general and respiratory medicine. He was Head of Respiratory Medicine at King's College Hospital in London for 25 years and first Medical Director of the Trust.
