Thank you for this [REDACTED] The deal is progressing, but clearly we need some paperwork for deals of this size. I spoke to [REDACTED] about it just after lunch and he was confident it was being handled at the right speed and would be completed in time.

**Subject:** David Meller - PPE

Hi,

Lord B has been contacted by David Meller of Meller Designs, who is looking to deal with a block in ordering facemasks from China (E [redacted] PD T - [redacted] I&S).

He has been in touch with [redacted] NR on procuring these, but says he needs a letter of intent **today** to ensure that these do not get sent elsewhere, and is seeking help on pushing the urgency of the ask with the procurement team.

He has also been in touch with [redacted] NR and Bruce Marshall (MoD team).

Appreciate if you can ensure this is actioned ASAP as Lord Bethell has given David Meller assurances it will be dealt with.

Will loop in David with yourselves shortly as the Minister leading on PPE.

Thanks!
