Hi Max, Chris,

As John mentioned, the Duchess of York has been in contact with Lord Deighton to try and help source PPE. She has some contacts who have access to PPE in China and wants to be able to get these through the system. Attached is an email from Bobby Zhou who is from a prominent Chinese family and can apparently help source PPE. Would you be able to look into this and let me know if there's anything positive we can feed back to the Duchess?

Apologies for the slightly strange request!

Many thanks,
