Importance: High

This one's a VVIP due to escalation potential! It's in Mendix, 9298. And it's hand sanitiser.

Cheers

W

Max,

Could you help escalate this one please. It needs a caseworker assigned please.

It's in Mendix, but carries a huge PR risk. It's not a big company but came in via BBC health editor.
Mendix ID: 9298

Thank you
