Hi [redacted]

Sorry for the slow response, I am just catching up on emails & with being in DHSC at the moment I getting a lot!!

In my signature below there is a link to all of the specifications of the various PPE which we are sourcing. There is also a link for all potential new suppliers to register and on doing so they will be assigned to a caseworker in the DHSC opportunities team to take any offers forward.

We have a "make" team also within the team who are speaking to suppliers who may be looking at altering what they would traditionally manufacture etc.

The link for registering to the site is www.smartsurvey.co.uk/s/L5B32S/ Apparently over 6000 suppliers have registered and are being contacted, it is taking some time to get to them all (hence the bad press at the moment) but the team is growing each day.

I am assigned to what has been termed VIP suppliers, who are the ones who believe they are too important to complete a survey as they have a link to a Minister or know Matt Hancock/Michael Gove/Jeremy Hunt etc and as such cabinet office ask us to contact them within 24 hours to ensure that they do not make much noise!!

Hope this helps.

Thanks

Kind Regards
