Subject: RE: URGENT - Washup Calls!

Sorry guys, juggling 37 VIP cases (and more coming in) 6 non VIP cases and 2 new NHS starters, totally swamped and despite doing 12-15 hour days, just can't keep up with the volume of emails so only just seen this one.

IM Group are working on an alternative offer so it may be one to run again next week, quick summary was they failed TA, possible lesson to take forward is not to progress any RR's until the case workers are more confident and or the case is more progressed in the process.

Thanks

Kind Regards
