Hi [redacted] NR

Your call should have been scheduled now – please let me know if you haven't received an invite.

Thank you for returning the form. Finance have raised a few queries, I'd be grateful if you could get back to us on the following:

- Could you clarify why the address on Companies House differs to the one on your application
- The DUNS number provided is linked to [redacted] Irrelevant & Sensitive [redacted] (an American company): can we check that we have the right number please?
- We have also now been asked that for new suppliers, in addition to a completed supplier form, the suppliers bank account details are provided on supplier letterheaded paper (as a fraud prevention measure). Finance will be unable to take the supplier off hold and make payment until this is received – could you please send this through?

Many thanks,

[redacted] NR
