

Thanks Simon. It would be very helpful to see some paper or plans (or the slide pack material sent to LAs in England) first thing tomorrow to help the discussion at COBR. Did I miss a conference call earlier?

Subject: Re: Covid-19: Shielding

Reg,

This issue is still planned for discussion at PM chaired COBR tomorrow for announcement soon after. It was discussed this evening at Mark Sedwill's officials meeting. Sian, Lesley and David dialled in

Based on that and the earlier call I had with some, the principles and purpose is shared between us and we are working to similar timetables. The delivery arrangements of any support will be determined locally in England and the DAs

If anyone wants to discuss anything further before the COBR tomorrow, please let me know.

Best wishes

Simon
