

OFFICIAL SENSITIVE

	<ul style="list-style-type: none"> Biggest impact on TTP is behaviour. <p>Questions to Jo-Anne:</p> <ul style="list-style-type: none"> Prioritisation of key worker staff. Discussions held with Health Boards for utilising their services at CTUs for key workers. A further update will be received next week. Enforcement – asked for consideration of a national Task and Finish Group to assess challenges faced when dealing with self-isolating individuals. AJ to take this offline for follow up Flu vaccine – side effect is a high temperature. Has this been considered in the guidance to be issued. GS confirmed recognition of rhino virus already presenting. Managing symptoms in all is going to be challenging.
7	<p>Specific strategic matters raised by SCG/RCG and ECC(W): issues and questions</p> <ul style="list-style-type: none"> COVID-19 App <p>GS provided update on the new App. 6 functions:</p> <ol style="list-style-type: none"> Trace Alert Check-in – QR codes at premises Symptom checker Booking test Isolate <p>The app is due to go live on 24th September.</p> <p>HB took over as Chair of meeting to allow AJ to leave.</p> <p>CS – NI Ambulance staff have been advised to switch the App off during work. GS/JD advised Wales health staff will also be asked to switch off when in work.</p> <p>GS confirmed the App does not replace the CRM/TTP process but will compliment it. Data privacy concerns mean that the App cannot link to CRM.</p>
8	<p>Any other business (previously notified to Chair)</p> <p>RP issuing letter next week on local containment plans. There will be no further WG feedback on the individual plans. Working with military to develop a test of these plans in October.</p>
10	Summary of actions, owners and timescales (see below)
11	<p>Confirm date and time of next meeting</p> <p>25.09.20 via Teams</p>
