<b><u>Social Distancing:</u></b> Social Distancing: Following the PM's announcement on Sunday and the publication of the UKG roadmap we continue to monitor approach in Northern Ireland. The Executive is yet to publish its road map - expected to be published tomorrow (Tuesday) - but alignment with UKG, where possible, is expected. Northern Ireland has retained the 'stay home' message over the 'stay alert' message issued last night, in part linked to the higher R rate in Northern Ireland.	<u>Preparedness / International</u>
<b><u>Test and Trace:</u></b> Dialogue will continue on interoperability of the UK-wide contact tracing app. A UKGG chaired meeting will take place this afternoon and a further UKG-NI-IE meeting is scheduled for Friday. DHSC have targeted 18 May as the release date for the app	<u>Preparedness</u>
<b><u>Border Measures:</u></b> Continued linkage with NICS on new border measures announced and exact details of how they will be implemented.	<u>International (Central Team to collate)</u>
<b><u>PPE:</u></b> DoH has confirmed that an urgent message went out on Friday to withdraw substandard goggles. There will be a meeting today (11th) with the dept and the trusts about this. The current view is in line with the DHSC that there should be sufficient supply to withdraw these and still have adequate provision.	<u>Preparedness</u>
