Re. PPE - I'm scheduling a call with lord Deighton as you suggested & with wholesalers. However, I never get helpful answers from jonathan and Emily in those supplies meetings - they are far too vague - do you mind if next time I push harder? Could we have social care supplies as a focus for one of them? Mindful don't want to take up too much of your time and it's your meeting.

yes we should do it properly as it's really a question about distribution not supply so let's do it in a meeting about that

Thx. Though my understanding on IIR masks is that we have a serious supply problem - so we hardly have any to distribute. Unless there's a supply solution I don't know about.
