Attachments: LA survey analysis - Wave 7.pptx

Good morning

Please find attached a summary of findings from Wave 7 of the fortnightly Vulnerable Children and Young Person survey.

Please note that Wave 8 of the survey, which was due to go live on Monday 10th August, has been postponed to Monday 24th August to give LA's some respite from the collection over the summer period as results have not changed much over recent waves.

Regards,
