Hi Clare,

Pleasure to meet you.

It would be great to discuss how the treasury is considering these issues, I am happy to follow your lead on who is the best person to meet or who to have in the room.

I have cc'd in **NR** who can help arrange a time.

Regards,
Ben

Copying in **NR** from PO. Good if you could loop him into discussion.

Thanks,

Clare

Ben Warner (cc-ed) has recently joined the political team in No10. He's developing his precise role, but will be leading on a whole bundle of issues around data, analytics, and organisation. In part, this is all about ensuring that policy is fully evidence based, and that we all – and Ministers – understand all the relevant data and models etc etc. You may have seen blogs on this sort of subject.

Is it possible that Ben could have an introductory meeting with you or someone in the Economics Group, to understand all the work that is already going on in this space in the Treasury, and how this feeds into policy development.

I'll leave with Ben and you to hopefully find a time.

Stuart
