## Details

The evaluation framework tool and explanatory notes includes information on:

- designing the intervention
- describing the intervention
- logic frame model
- measuring - data capture
- evaluating - standard framework criteria

## Video guides

There are [4 video guides \(https://www.healthpublications.gov.uk/ViewArticle.html?sp=Simmunisationevaluationframeworkvideoguides\)](https://www.healthpublications.gov.uk/ViewArticle.html?sp=Simmunisationevaluationframeworkvideoguides) which can be downloaded to take you step by step through the process. These could also be used for a group training session. If you have any queries or would like to discuss the tool please email [immunisation@ukhsa.gov.uk](mailto:immunisation@ukhsa.gov.uk)

## Sharing good practice

We are planning to set up a repository of completed evaluation frameworks and the results obtained so we can share findings with others. Please submit to [immunisation@ukhsa.gov.uk](mailto:immunisation@ukhsa.gov.uk)
