Hello

I think [NR] dropped off the email so just adding her here.

Thanks

Hi [NR]

Thanks for the update on the offer I sent today

Are they looking at the one enclosed and the one for the operating gowns I originally sent

Please let me know if you need me to send anything again

I hope you are copying ok

Thanks

David

**Subject:** More masks

Hi David,

Here are some more masks I have access to. Please disregard the test kits on this pdf as they are sold out. They are sourcing more which I can send you once I receive information.

Best,  
Marco
